## Decalogue of Good Students. Faculty of Education

We are sure there is many things we have to take care of, but if we focus on the following ones, it will be much easier...

- COMPROMISE.** We must commit ourselves to a better Faculty, Society and World.
- EDUCATION.** We must be an example of good manners.
- ENTHUSIASM.** We must fulfill our duties, which will help us to feel more in control and self-determined.
- HONESTY.** Many times you will feel the temptation to be dishonest, but you need to leave those moments go away.
- PARTICIPATION.** Your participation on all levels of the Faculty of Education life is necessary and convenient.
- RELATION.** Social life and relations are a key factor for your adjustment and academic performance..
- RESPECT.** Be an example of respect for people and goods.
- RESPONSIBILITY.** As members of The Faculty of Educational Sciences we have responsibilities we cannot ignore.
- SOLIDARITY.** There are many opportunities for you to help others, take advantage of them!
- ROLES.** Everybody has a role and functions, each one has to play his/her role.
