Faculty of Education Student Decalogue

Sure there are many other things to take care of, but if we focus on the following it is more than enough:

COMPROMISE. We must commit ourselves to a better faculty, society and world.

EDUCATION. We must be an example of good manners.

ENTHUSIASM. We must fulfill our duties, which will help us to feel more in control and self-determined.

HONESTY. Many times you will feel the temptation to be dishonest, but you need to leave those moments go away.

PARTICIPATION. Your participation in any level at the Faculty of Education is necessary and convenient.

RELATION. Social life and relations are a key factor for your adjustment and academic performance.

RESPECT. Be an example of respect for people and goods.

RESPONSIBILITY. As a member of the Faculty of Education you have responsibilities which should not be ignored.

SOLIDARITY. There are many opportunities for you to help others, take advantage of them!

ROLES. Everybody has a role and function, each one has to play his/her role.
